

## **Request for Exemption from ECU Housing Residency Requirement or Release from ECU Housing Contract**

The Eastern Kentucky University residency requirement states: *“all single, full-time undergraduate students under 21 years of age, having fewer than 60 credit hours earned or having lived less than 4 academic semesters (fall/spring) in university residence hall facilities are required to live in university residence hall facilities. Exception is made for students residing with their parent(s) in the parent’s principal residence within 50 miles of the Richmond campus, as determined by an official state map. Full time students must be 21, have earned a total of 59 credit hours, or have lived four academic semesters on campus prior to the first day of classes of any given semester to live off campus for that semester. Students failing to meet this requirement will be assessed the lowest residence hall fee.”* University Handbook for Students

## Circumstances/Procedure Detail

### **A. SIGNIFICANT UNEXPECTED CHANGE IN FINANCIAL SITUATION**

Use this option if you have had an unexpected decrease in financial support or an unexpected increase in expenses. If you are requesting a release from signed housing contract the change in financial situation must have occurred after the contract was signed. Examples of documentation must include:

1. proof that a decrease in financial support or increase in expenses occurred; **and**
2. proof that expenses significantly exceed your ability to pay; **and**
3. proof that the cost of living off campus is significantly less expensive than living on campus.

Copies of termination of employment notice, bankruptcy statement, medical bills, repair bills, and other unexpected major expenses must be provided. If you have been granted a change in financial aid status you must provide supporting documentation from the University's Financial Aid Office. It is expected that students fully utilize all loans available to them. **All financial information submitted to EKU Housing will be used only for the expressed purposes for which it was intended and will not be made available to any third party.**

### **B. DOCUMENTED MEDICAL OR PSYCHIATRIC CONDITION**

Use this option if a medical or psychiatric condition exists for which you are receiving ongoing treatment and which is worsened by conditions associated with living in a EKU Housing facility. You must complete the Medical Information Release Form and submit it with a typewritten letter from an appropriate medical practitioner on his/her office stationery, which clearly outlines the following:

1. What are the specific accommodations needed in order to meet the medical / psychiatric needs of this student.
2. How is the request to live off campus directly related to the student's condition?
3. Is the condition permanent? If so, what is the prognosis for the condition? If temporary, what is the duration?

The letter from your medical practitioner is required: it must address all the items listed above as they pertain to your condition; and it must clearly describe the specific types of living arrangements / needs that would accommodate your medical or psychiatric condition. Your physician may be required to accompany EKU Housing staff in a visit to the residence hall as a means of further detailing the needs that would accommodate your medical or psychiatric condition.

### **C. OTHER**

Other reasons that may not fall into one of the areas listed above. Please fully explain the nature of the situation and provide any supporting documentation.

**MEDICAL INFORMATION RELEASE FORM**

If requesting a release based on a medical or psychiatric condition, complete this form and return it with the letter from your medical practitioner.

I, \_\_\_\_\_, give the Director (or his/her designee) of ECU Housing at Eastern Kentucky University permission to contact my medical practitioner, whose name, address and phone number are attached. **Permission is restricted to that information required for clarification regarding specific living accommodations needed.**

Full-time students must be 21 years of age or have completed 59 hours prior to the first day of class of any given semester or lived in campus housing for four academic semesters to live off-campus for that semester. Students living off campus who fail to meet any of these requirements will be assessed the lowest residence hall fee. All paperwork and supporting documentation must be received before classes begin each semester. Requests submitted after the commencement of classes, if approved, will see charges reduced according to the University's refund schedule.
